Electronic Resources: Databases A-Z

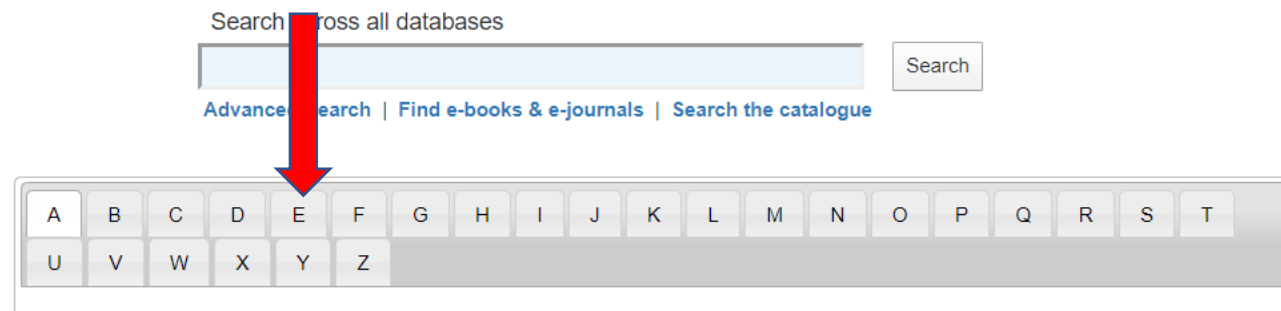

Databases listed alphabetically by title

Terms and conditions of use

The license agreements governing the electronic resources available through the University of the Witwatersrand Library permit the content to be used for scholarly, non-commercial purposes only, by authorized staff and students of the University. The systematic downloading, distribution, printing or retention of substantial portions of content, such as entire journal issues, or the transmitting of online content to mailing lists, is strictly prohibited. Users are advised that any breaches of the University’s contractual agreements with publishers could result in the suspension of access to the resource for the entire University community.

Remote Access to the electronic resources is available to currently registered staff and students of the University. Off-campus users should note that they will be prompted for their staff or student number and **PIN**. For additional assistance, [ask a librarian](#).

** To find individual electronic publications by title, or to browse publications by discipline, use the [e-Publication Portal](#).

Latest News

[Access to Elsevier Textbooks](#)

Elsevier have made **256 textbooks** freely available for two months, **ending on 31 May**, to support students, researchers, lecturers, doctors who have moved from a campus/institute setting to working online during the COVID-19 pandemic. To access the textbooks, go to [ScienceDirect](#).

[Novel Coronavirus Information Centre](#)

Elsevier have also made its collection of expert, curated **information on COVID-19** freely available to the research and healthcare communities.

Use the following Boolean operators “AND”, “OR” to specify multiple/alternative words, and “NOT” to exclude certain words as shown below:

The screenshot displays a search interface for the University of the Witwatersrand. At the top, there is a navigation bar with options like 'New Search', 'Subjects', 'Publications', 'Company Information', 'More', 'Sign In', 'Folder', 'Preferences', 'Languages', 'Ask-A-Librarian', and 'Help'. The search bar contains the query: 'coronavirus 2019 OR covid19 AND "global economy" NOT spanish influenza'. A red arrow points to the 'AND' operator. Below the search bar, there are buttons for 'Search', 'Create Alert', and 'Clear'. The search results section shows 'Search Results: 1 - 40 of 12,518'. The first result is titled '1. Coronavirus Disease 2019 outbreak: preparedness and readiness of countries in the Eastern Mediterranean Region.' and includes a snippet of the article's abstract and a 'PDF Full Text' link. The second result is partially visible: '2. Study on the public psychological states and its related factors during the outbreak of coronavirus disease 2019 (covid-19) in some regions of china'. On the left, there is a 'Refine Results' sidebar with 'Current Search' showing the Boolean/Phrase used and 'Limit To' options for 'Full Text' and 'Scholarly (Peer Reviewed) Journals'. On the right, there is a 'Newswires' sidebar with several news items from 'KBRA Europe' and 'Aptorum Group'.

You can also use wildcards “*” or “?” in your search string as shown below. Results in this database are ranked according to Relevance.
