B. Periods Covered by Rentals

B.1 Catered Accommodation

The rentals and meal prices in Section A.1 cover the general undergraduate academic year, which is a period of about 40 weeks. **New first-year undergraduates** in residences receive free accommodation during the orientation period – i.e. 27 Jan to 08 Feb. The normal rental period for residence students then commences on 09 Feb in preparation for the start of the academic year on Monday, 12 Feb. Certain category of students e.g. Health Sciences and Postgraduates (including most Honours, PHD and Masters students) etc., whose academic curriculum will require their presence on campus outside of the periods mentioned above must consult the Residence Accommodation Officers of their residences early in the year to confirm their personal term dates and additional accommodation requirements, and their additional rentals. Failure to do so will not absolve a student from the obligation to pay additional rentals, and to pay for the related additional meals and levies.

Additional accommodation for electives or support programmes undertaken by students e.g. Health Sciences is not covered by the annual rental.

Students in catering residences are required to vacate their residences during the mid-year vacation, but they are not required to do so during the April and September study breaks. A student in a catering residence may remain in his/her residence only until the day after he/she has completed his/her examinations. This applies to the mid-year and the end-of-year examination periods.

Note: Any student who remains in a catering residence without written permission for more than one night after his/her last examination in June/July or in November/December may face disciplinary and/or financial consequences and may be excluded from the Residence Programme thereafter.

B.2 Self-Catering Accommodation

The accommodation period for International House and West Campus Village covers the period 02 January until the day before the elected closing date of the University in December.

The accommodation period for The Wits Junction is 09 Feb to 30 Nov. The accommodation period in other self-catering residences is 09 Feb until the day following the student's last end-of-year examination.

Certain category of students e.g. Health Sciences and Postgraduates (including most Honours, PHD and Masters students) etc., whose academic curriculum will require their presence on campus outside of the periods mentioned above must consult the Residence Accommodation Officers of their residences early in the year to confirm their personal term dates and additional accommodation requirements, and their additional rentals. Failure to do so will not absolve a student from the obligation to pay additional rentals.

Additional accommodation for electives or support programmes undertaken by students e.g. Health Sciences is not covered by the annual rental.

New first-year undergraduates in self-catered residences receive free accommodation during the orientation period – i.e. 27 Jan to 08 Feb. The normal rental period for residence students then commences on 09 Feb in preparation for the start of the academic year on Monday, 12 Feb. (For Orientation Levy for new students, see C.5 below.)

Note: Any student who remains in a self-catering residence (except International House, West Campus Village and Wits Junction) without permission for more than one night after his/her last November/December examination may face disciplinary and/or financial consequences and may be excluded from residences thereafter.

B.3 Vacation Accommodation (for academic purposes only)

Residence students needing accommodation for academic or academic-related purposes outside of normal University terms must pay the associated vacation accommodation rentals in full in advance or provide valid written guarantees of payment from recognised sponsors. Students funded by NSFAS will also be required to make payment in advance as NSFAS does not pay for vacation accommodation.

Vacation accommodation rates are available from the Central Accommodation Office.

C. General Information

C.1 Deposit to secure a residence place – NEW APPLICANTS ONLY

A deposit of R990 is payable upon acceptance of a residence offer for 2024. This amount will be credited to the student's general fee account and is refunded if the student is not accepted to the University. All refunds are processed through the Fees Office.

C.2 Payment of residence rentals, meals and levies

A payment of R10,000 being the initial instalment is due before admission to any residence. The balance is due by 31 March. Students being funded by a sponsor/bursary e.g. NSFAS, are liable for the full fees in the event that the sponsor withdraws/declines the funding or fund only a portion of the fees. Special arrangements may be made directly with the Fees Office to pay off this portion in instalments. The only exceptions to the initial instalment requirement in C.2 above are –

- (i) a student whose residence rentals, meals and levies will be met in full by bursaries, scholarships, NSFAS financial aid packages or by recognised sponsors, and who submits acceptable written evidence of such support by uploading such information on the FASO section of the student self-service portal, to the Residence Accommodation Officer of the student's assigned residence and to the Fees Office;
- (ii) those who have entered into special rental and meal payment agreements at the Fees Office;
- (iii) international students, all of whom are required to pay 75% of their annual residence rentals and meals before admission to a residence, and the balance of the fees is payable by 31 March for undergraduate students, and for postgraduate students 30 days after registration.

C.3 Failure to pay fees

All fees are payable in full, irrespective of whether the academic program is interrupted by factors beyond the University's control, e.g. strikes, student boycotts, civil unrest, or other disruption on campus etc.

If a student fails to pay 100% of his/her residence charges by 31 March (or, in the case of a student who has entered into an instalment agreement with the Fees Office, by the agreed date for payment of the final instalment), his/her examination results may be withheld, and the **student will not be admitted to a University residence during the following academic year.**

If a student who has entered into an instalment payment agreement with the Fees Office has fallen behind in his/her payments by the end of the first term, he/she will have **forfeited his/her rights to further accommodation during the remainder of the year.**

C.4 Withdrawal from University accommodation

If a student wishes to withdraw from University accommodation during the academic year, a **minimum** of one month's written notice is required which is to be submitted online via the self-service portal and will be liable for the duration of their stay and the rentals for the notice period. However, if a student giving notice by the 14th March and vacates his/her accommodation within three weeks after having taken occupation of their room, will not be charged rentals for the notice period.

- If, however, cancellation occurs after 31 July, the student shall be liable for the entire rental and associated charges for the year, and shall not be entitled to any credit adjustment, except for students who are excluded or de-registered by the Faculty. Masters and PHD students arriving after the 01 April have until 01 October to cancel their accommodation to avoid being liable for the full residence rentals.
- When cancelling accommodation in a catered residence, the student **must also notify the Catering Liaison Officer** of the related dining hall **in writing** that the remaining booked meals for the year must be cancelled. Failure to do so will render the student liable for the cost of all meals originally booked for the remainder of the year.

C.5 Levies

The following annual levies are not included in the annual rentals, and are charged separately, where applicable:

- a *pro rata* Appliance Levy to cover electricity for catering appliances belonging to a student –

microwave oven	R280
refrigerator - single door, under/more than 220 litres	R2540 / R3235

C.6 Cost of replacement keys

Because of high-security locks used in most residences, students who lose keys are required to pay for replacement keys and/or cylinders at prices ranging between R150 and R600 per key, depending upon the type of lock.

C.7 University students attending conferences or sports tournaments

Rentals and/or meal charges for students residing in Wits residences for conferences or inter-varsity sports events during vacations shall be as per the standard prices determined by Higher Education South Africa (HESA) or SASSU.

C.8 Residence rentals for persons other than registered students

The rentals associated with conferences or other events during University vacations vary between R350 and R450 per day, depending upon the category and standard of accommodation. C.9 Rebates/Refunds/Discounts

Rebates on residence rentals, meals and levies are not permitted for any period during which a student is absent from the University whether because of illness, academic excursions, electives, or other causes. No student is entitled to any discount in respect of residence rentals, meals and levies, for any reason whatsoever.

Interest will be charged on all overdue accounts.

VAT is payable where required by law.
